

FCC officials,

I would like to respectfully urge you to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that i demand and deserve. I pay for these services on a monthly basis and it should not be up to the NAB to dictate what I am permitted to hear. The reason I subscribe to XM is for the variety of programming as well as the freedom from censorship that comes with public FM and AM radio stations. I gladly pay the \$10 bucks a month to enjoy these freedoms. Furthermore, I believe there are far greater concerns in the world right now than where I get my weather and traffic reports.

Respectfully,
Casey Parsons
